PREAMBLE

Implementation of CCC Online

Implementation of the BEM CCC Online Submission System was launched on 16th November 2021 with a 6 months' grace period ending 15th May 2022.

During this transition (grace) period, the PSP may submit CCC either manually or online through the system.

From 16th May 2022 onwards, only online submission is permitted.

What is CCC?

ACRONYM

CCC	Certificate of Completion and Compliance
PEPC	Professional Engineer with Practising Certificate
ECP	Engineering Consultancy Practice
BP	Building Plan
PSP	Principal Submitting Person
SP	Submitting Person

Certificate of Completion and Compliance (CCC) replaces the Certificate of Fitness for Occupation (CFO) issued by Local Authorities for projects approved prior to April 2007.

Due to government policy to encourage self-regulation by professionals, the Street, Drainage and Building Act (Amendment) 2007 (Act A1286) was amended to stipulate that a Principal Submitting Person must sign the Certificate of Completion and Compliance (CCC) (Form F) for him to confirm that the project for which he had obtained Building Plan approval from a Local Authority, is completed and has met all statutory requirements with regards to health and safety aspects and is ready to be occupied with all essential utilities services connected.

The Principal Submitting Person can only be either a Professional Architect or a Professional Engineer with Practising Certificate (PEPC) depending on the type of building involved. Copies of the CCC issued to the Owner must be submitted to BEM and the Local Authority within 14 days of issuance together with all 21 supporting forms (Form G1 - G21) and duly signed by all the relevant parties (including the Submitting Person of various Professions / Engineering Disciplines, Contractors/ Trade Contractors.

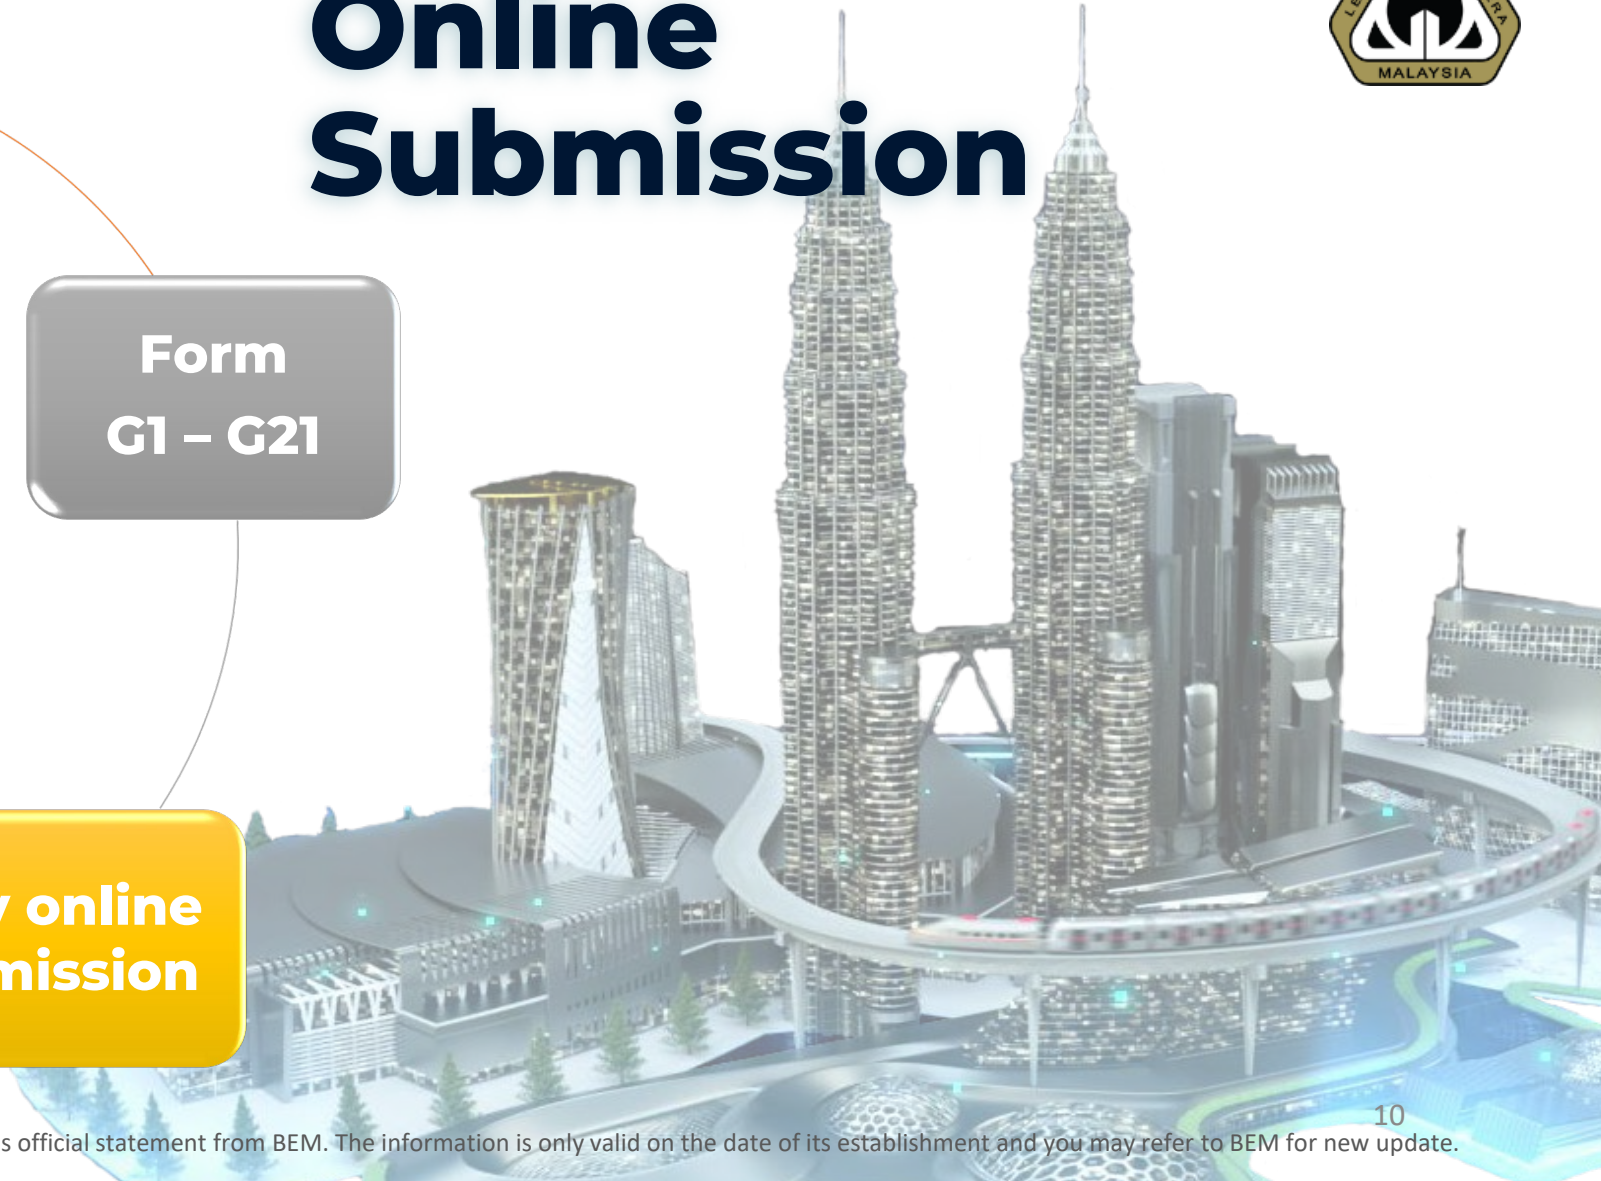

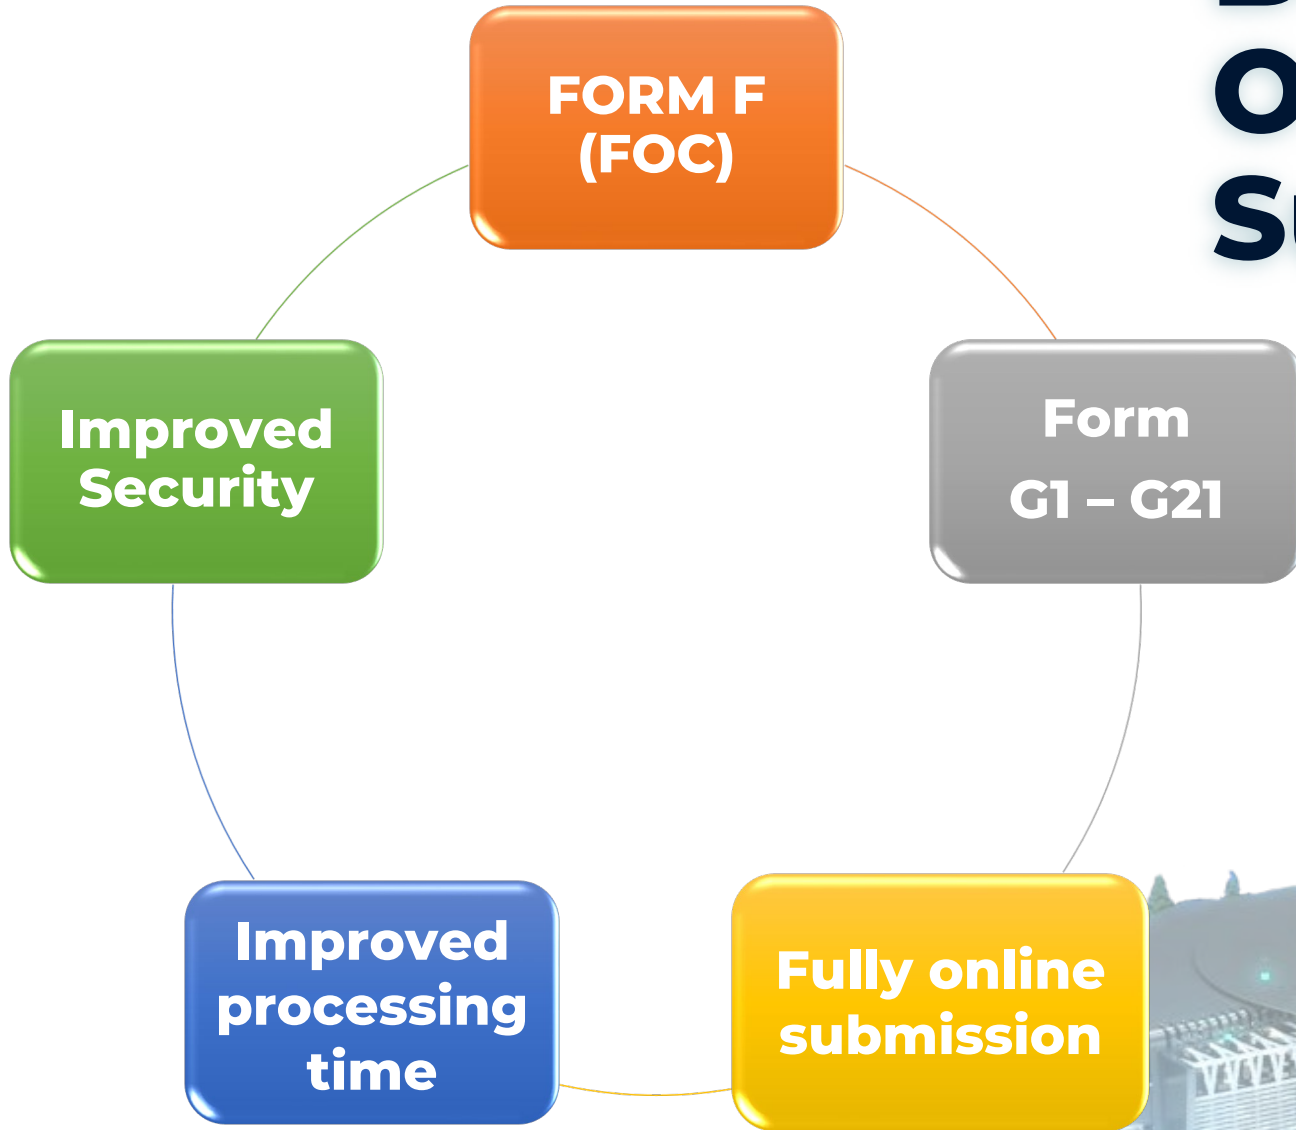

What is CCC Online Submission?

CCC Online Submission is a web-based application designed to be accessible at anytime and anywhere. Owned by BEM, CCC Online Submission offers the following features: -

- 1. Online submission of Individual Form G by PEPC**
- 2. Complete CCC submission by PSP**
- 3. Online submission of Form F by the PEPC responsible**
- 4. Zero processing fee**
- 5. BEM Administrator receives & records the CCC Submission**
- 6. Ability to view history of CCC submissions**

Interface - Home Page

The screenshot shows the MyBEM Home Page interface. The browser address bar displays "https://engineer.org.my/Home/UserIndex". The page features a dark blue sidebar on the left with navigation options: Home, Applications, Pending Individual Renewals, CPD Records, Continuing Professional Development, and My Upcoming Events. The main content area is divided into several sections: a top navigation bar with "Welcome, DEMO" and "Logout"; an information banner regarding migration; "INFORMATION DETAILS"; "REGISTERED PERSON" with cards for "Graduate Engineer" (G1183018A, approved 2 June 2014) and "Professional Engineer" (G1183137A, approved 8 September 2015); and "ENGINEERING CONSULTANCY PRACTICES" with tabs for "Practices" and "Applications". A search bar and a table header are visible at the bottom of the main content area. Three red boxes highlight the "Top Menu", "Side Menu", and "Content" areas.
